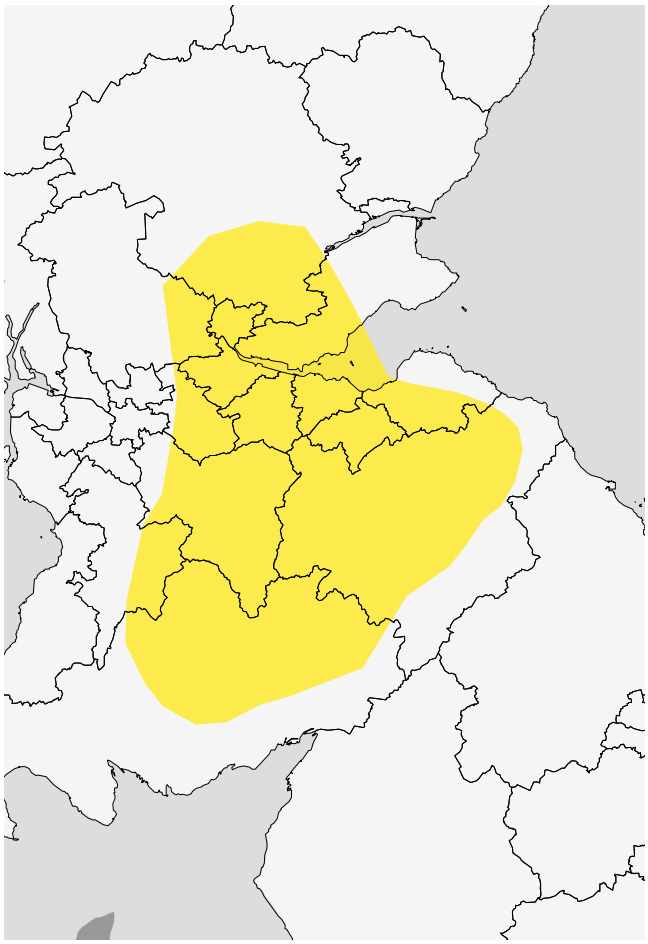
Yellow warning
**Snow & Ice**

Between
**21:57 Tue 19 Jan 2021** and
**09:00 Wed 20 Jan 2021**



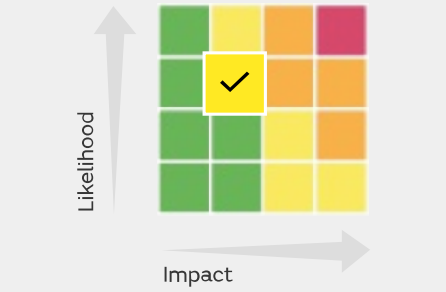
## Some travel disruption from ice and snow expected.

### What to expect

- Some roads and railways likely to be affected with longer journey times by road, bus and train services
- Some injuries from slips and falls on icy surfaces
- Probably some icy patches on some untreated roads, pavements and cycle paths

### Further details

Spells of snow are likely to continue in some areas overnight. The snow will tend to become lighter and patchier later in the night, but may continue in some places during Wednesday morning. Most of the snow will be in areas above 100-200 m with accumulations of 2-5 cm are expected above around 150 m. Meanwhile, close to 10 cm could fall above 300 m over southern Scotland. Icy stretches are also possible for some, mainly over northern parts of the warning area.



Medium likelihood of low impacts
